About Aalok Overseas

Starting in the year 1992, at Indore (Madhya Pradesh), we “Aalok Overseas” are heading towards becoming a renowned Supplier and Exporter of a fine quality wide range of Cobbles, Pebbles and Pavings, Feldspar Minerals, Food Grains & Cereals, Ores and Minerals and Pesticides & Insecticides etc. All offered ranges are settled using top-grade ingredients. In addition to this, these current ranges are a rich source of antioxidants and other nutrients for plant growth. Our product range is widely used for preparing many tree plantations.

The company has established a valued position in the market under the headship of our CEO Mr Parth Agrawal. He also motivates employees by consulting them before announcing any policies in the company.

Our Infrastructure

Our company has its warehouse unit which is located in the vast area to store our multiple ranges of products to cater the bulk demand. We are well equipped with all the modern machines and tools to manage and store our products as per client needs.

The functional units in our facility are:

Production unit

Quality testing unit

Research and development unit

Packaging unit

Warehouse unit
