About Addwell Technology Pvt Ltd

Addwell Technology Pvt. Ltd. is a famous name in the market involved in supplying superior grade barcode printers, barcode scanners and labels. We offer various types of barcode printers such as Toshiba Tec BSA4t barcode printer, Toshiba B 452 HS 600 DPI barcode printers, citizen 6 inch wide barcode printer, etc. The barcode printers that we make available are widely known for their efficient performance, reliability and long service life. We provide various barcode scanners such as Unitech HT 630 barcode scanner, Argox AS 8250 barcode scanner, symbol LS 2208 barcode scanner, etc. These barcode scanners are made using finest quality components and advanced technology tools at our vendor's end. We also provide labels such as varnished multicolor cosmetic labels and weatherproof polyester labels. Customers can purchase our products in various sizes and specifications from us.

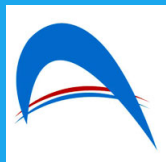

Addwell Technology Pvt. Ltd. is a Gurgaon (Haryana, India) based company, which started its business operations in the year 2018. The company is managing its operations well under the expert guidance of Ms. Manju Rani.

Our Vendors

All the products that we deliver from our end are procured from some of the best manufacturers in the market. Furthermore, these vendors make use of some of the advanced machines for manufacturing high-quality barcode printers, barcode scanners and labels.

Why Addwell Technology Pvt. Ltd.?

Since incepted in 2018, we have made use of most advanced tools & equipment to manufacture superior-grade products and make them available at market leading prices. In a short time span, we have managed to create a huge customer base in Gurgaon as well.
