About AKHAI AROMATICS

Akhai Aromatics was established in the year 1995 in Amravati, Maharashtra, India. We are a supplier of solid Loban, Singapuri Loban and a lot more.

Loban is the best energy purifier in the Atmosphere. Use Loban as a spiritual and customary secret in India to elevate the energy level. From the times of Saints and Kings, Loban has been used for fulfilling the rights and rituals.

Sambrani is frequently used in religious ceremonies and is measured to have a great impact on cleansing and releasing the human body energy centres/ meridians. It is pure, clean and pleasing for cleansing whether you wish to clear a room or simply to clean your atmosphere.

Why Use Loban?

A study states that Loban helps in uplifting inspiration and creativity. Benzoin can help attract love, provide psychic protection, and wisdom, aid memory, and help ease depression.

While doing puja burn a Dhoop Cup and offer to divinity, Upon the accomplishment of puja take dhoop on your hand and spread it over all at your house and around you, it will remove all negative vibes and energy from around you. It also works as a natural pest repulsive.

It is placed inside the container with a hole, which allows the smoke to outflow. Lit sambrani cones can be placed in these types of containers, so the ashes can start inside and your room can be clean, and tidy and you can assistances from the pure fragrances.
