About A.M.A INDIA INDUSTRIES

AMA India Industries

AMA India Enterprises was set up in 2018 with the sole motto of offering customers integrated iron and steel solutions. We have expertise in mild steel products, display racks, storage racks, slotted angle racks, pigeon hole racks, warehouse mezzanine racks, stainless steel racks, and shelving systems.

Infrastructure

The advanced infrastructure is supported by a well-resourced manufacturing unit. The well-organised infrastructure includes advanced machinery. We enable the competent design of the products.

Quality Assurance

AMA India Enterprises has carved a special niche for us in the world market by offering top-quality mild steel products to its valued clients. The broad range of products duly tested in the testing lab by an efficient team at all levels of manufacture

Our vision

To take care of a winning network of partners worldwide and build mutual faithfulness through trust, ethics, and commitment, which are added to our culture.

Our mission

AMA India Enterprises is ready to provide customised products and services of high quality and focuses on giving true value to the customers.

Under the determined leadership of the founder, Mr Aftab Alam, supported by his two decades of experience, the organisation has witnessed accelerated development and success. We aim at manufacturing commercial slotted angle racks as per the requirements of the customer and supplying them at market-leading rates.
