## About Amar Industries

Amar Industries was established in the year 1975 in Uttar Pradesh, India. We are manufacturer and supplier of Aluminium eyelet, Brass eyelet and a lot more. Moreover, we follow moral business policies and crystal pure transparency in all our transactions to keep healthy relations with the customers.

## Why Us?

Owing to the superior quality of the product range offered, we have carved a firm foothold in the domain. The products offered by us comply with industrial standards and are offered at the most affordable prices. The professionals appointed by us invest their long working hours in manufacturing products as per clients' specifications and details to meet their exact requirements.

## The following are the factors that have contributed to our success:

- Timely delivery
- Quality-proven range

## Our Infrastructure

We have a top-notch position with our infrastructure base. It consists of all the modern and latest technology machines. Our infrastructure has been segmented into many different parts according to their work. All the departments work in close coordination with each other. In addition to this, owing to these reasons, we have been able to deliver products within a limited time to attain complete satisfaction.

## Quality Policy

Quality being our aim, we ensure stringent quality checking and measurements at every stage of production.

To provide a qualitative range of products to our clients, we undertake extensive research activities that help us keep ourselves in line with the latest market demands and enhance our market value.

The finished products are tested on various parameters due to which our wide array has gained huge accolades among our clients.
