## About April3rd Foods

April3rd Foods was established in the year 2010 in Karnataka, India. We are a manufacturer and supplier of frozen momos, chilli sauce and a lot more.

### Why Us?

We are manufacturing, and supplying an extensive range of products to the customers. Known for reliability and affordable price. Transparency in our deal and close relation with all patrons make our client-centric in the industry. There are some qualities which define us the best:

- On-time delivery
- Lowest price
- Premium quality
- Maximum client satisfaction
- Team of experts
- Ethical dealings

### Our Infrastructure

Our robustly constructed infrastructure sprawls over a huge area of land and is well connected with the major means of transportation. We have equipped all the necessary machinery and ultra-modern equipment in our infrastructure for the production of premium quality food products.

For making the utmost usage of the installed machines, we have selected a team of highly skilled professionals and chefs that helps us in manufacturing a flawless range of products. Our infrastructure is well segregated into various units such as production, quality testing, warehousing and logistic.

### Quality Assurance

For ensuring a high-quality product array, we always follow strict quality policies in the manufacturing process. Being a quality-oriented organization, we pay the utmost attention to manufacturing premium quality products.

The experienced food quality controllers of our team ensure that the offered products are manufactured using premium quality ingredients that are procured from the reputed vendors of the market.
