## About AMSTRONG

The ARM STRONG TYRES is the central manufacturer and supplier of tyres. Our products are packed with advanced and innocuous machines. Furthermore, our products can be profited the market by smashing costs by the customers. With dense importance on consumer devotion, we have been condemning world-class items at the most precise costs. We are progressively moving in the direction of appealing to our representatives with strong capabilities and presenting them with the most recent invention.

### Our establishment

Established in the year 2018, operating from Faridabad Haryana, India we are frequently making efforts. Under the active guidance of our Marketing manager Mr Kamleshwar Pandey who is supervising the actions of the company, we are gradually refining our customer base. We started our business with the imprint of supplying the best quality tyres we are leading to spread all across the country.

### Our Vision

To partner with dependable manufacturers and customers in classifying the highest possible quality produce & services and complete sustainability in long-term growth.

### Our Mission

To supply high-quality products with proficiency, quality production, expert logistics and accurate prices, all in an environment-friendly manner.

### Why us?

Massive infrastructure unit to meet the bulk demand

Ethical business dealings

Cost-effective prices
