About A.S International

We, A.S International are a famous company engaged in the exporter and supplier of high-quality bone and horn products. With a strong promise of superiority, durability, and customer satisfaction, we have established ourselves as a reliable name in the industry. Our wide range of products caters to various construction, woodworking, and general-purpose solicitations, offering dependable solutions for both commercial and residential uses.

Mission:

Our assignment is to deliver superior-quality products that meet the uppermost industry standards, certifying our customers' complete satisfaction. We struggle to be a leading provider of advanced and trustworthy fastening solutions, offering an extensive range of nails that combine sturdiness, precision, and competitive pricing.

Product Range:

We take pride in offering a complete range of bone and other material products, designed to meet diverse needs. Our product range comprises bone products like Bone Beads, Bone Inlay Jewellery Box, also Horn Products like Buffalo Horn Pen Blank, Horn Drinking Mug etc.

Quality Assurance:

We place in order quality and obey stringent manufacturing procedures to ensure the strength, durability, and dependability of our nails. We use premium-grade materials and employ progressive manufacturing methods to produce nails that meet top industry standards. Our products suffer hard quality checks at various stages, guaranteeing consistent brilliance.
