About Asian Enterprises

Asian Enterprise is a prominent and reputed importer and supplier from Ghaziabad based company that offers an excellent range of industrial scraps to our esteemed clients. Established in 2017, we offer products like battery scrap, monitor scrap, computer parts scrap and other computer scraps to satisfy the needs of our valued customers.

Our industrial electronic scraps like computer scrap, LED Bulb scrap, CFL Bulb scrap, DVD cassette scrap, etc are fully customizable as per the specification of our client's requirements at the budgeted price. We have achieved a huge customer base under the expertise of Mr Asif Khan. Under his expertise and skilled guidance, our company is moving ahead in our business enterprise.

Product Quality

We are offering premium quality industrial scraps at market competitive rates to our valued customers. We are importing quality industrial scraps and are checked for their performance before delivering them to the customers. However, our products have reusability with top performance for maximum customer satisfaction. Our industrial products are used for various applications across different parts of the country and are highly demanded in the industry.

Delivery

We have a team of skilful and hard-working professionals that have created a prompt delivery service to guarantee value-added service for our existing customers. Our products are affordable, user-friendly and well designed. Our company is offering good deals on huge purchases.
