About ASTECH INDIA

Since its inception in 2020, ASTECH INDIA has stood as a stalwart guardian of hygiene and safety in Ahmedabad, Gujarat. Founded by the visionary Mr. Abhay Patel, the company has carved a niche as a prominent manufacturer, exporter, supplier, and trader of a wide range of medical and disposable products.

ASTECH INDIA's commitment to quality is unwavering. Each product, from the humble face mask to the intricate surgical gown, is meticulously crafted to meet the highest safety standards. They understand that their products are often the silent guardians in critical situations, and they take pride in ensuring their reliability and effectiveness.

Their diverse portfolio caters to a variety of needs, offering essential protection for:

- Healthcare professionals: Surgical caps, gowns, aprons, and scrub suits provide a vital barrier against contamination, safeguarding both medical personnel and patients.
- Patients: Disposable shoe covers, gloves, and bra wraps ensure hygiene and comfort during medical procedures.
- Public health: Face masks, disposable bed sheets, and garbage bags play a crucial role in community hygiene and infection control.
- Laboratories: Disposable lab coats and bouffant caps offer essential protection in research and testing environments.
- Beyond the product itself, ASTECH INDIA prioritizes sustainability. They actively seek eco-friendly alternatives and implement responsible manufacturing practices to minimize their environmental impact.

In just a few years, ASTECH INDIA has made a significant contribution to the healthcare landscape in India. Their dedication to quality, innovation, and responsible practices has earned them the trust of clients and partners across the globe.

As they move forward, ASTECH INDIA remains committed to its core values:

- Uncompromising quality: Every product bears the mark of their unwavering commitment to excellence.
- Innovation: They constantly strive to develop new and improved products that address evolving needs.
- Social responsibility: ASTECH INDIA recognizes the importance of environmental sustainability and ethical practices.
- Customer focus: They prioritize building strong relationships with clients and exceeding their expectations.
