About Aum chem india

Established in **2016**, **Aum Chem India** is a reputable manufacturer and wholesale trader of high-quality chemical products, including Liquid Acetone, Liquid Thinner, and more. We take pride in offering a range of premium products that inspire confidence among our esteemed clients.

At **Aum Chem India**, we believe in delivering flawless products to our customers. To achieve this, each and every finished product undergoes rigorous inspection processes. This ensures that when our products reach our clients, they are of the highest quality and meet their specific requirements.

Our success and growth can be attributed to the guidance and expertise of our mentor, **Mr. SK Aggarwal**. With his valuable insights, we have been able to carve out a unique niche for ourselves in the industry. Under his leadership, we have consistently strived for excellence, both in terms of product quality and customer satisfaction.

Our commitment to our customers goes beyond just delivering top-notch products. We also believe in building long-lasting relationships based on trust, transparency, and integrity. We understand the importance of meeting deadlines and providing prompt customer support. Our dedicated team works tirelessly to ensure that our clients' needs are met with efficiency and professionalism.

As a socially responsible organization, we also prioritize environmental sustainability. We adhere to eco-friendly manufacturing practices and actively seek ways to minimize our carbon footprint. Our commitment to the environment is a testament to our dedication to creating a better and greener future.

We are grateful for the trust and support bestowed upon us by our clients, and we continuously strive to exceed their expectations. Our aim is to become the preferred choice for chemical products, recognized for our unwavering commitment to quality, reliability, and customer satisfaction.
