## About Authentic Biotech

**Authentic Biotech** is a leading **manufacturer** of a wide range of products including Premium Adult Diaper, Open Baby Diaper, White Cotton Baby Diaper, Povidone Iodine Gargle Syrup, Sanitary Napkin and others. These products are manufactured using the best quality raw materials that we procure from reputed vendors. To reach our goals, our team members share equal responsibilities to focus on improving quality, and in turn, customer satisfaction. We strive to achieve set objectives through continual improvement in all aspects of business, right from the production process to delivery of orders to our clients. Our goal is to deliver products to our clients in a timely manner, to the highest quality, at the lowest reasonable cost.

At our organization, we follow a strict ethical policy that requires an unwavering dedication to the highest ethical standards. It is fundamental to our company and every employee carries a share of the responsibility and contributes to our success. We strive to maintain the highest standards of individual and corporate integrity. We foster an environment of trust with our co-workers, clients, associates and communities at large. We always comply with the policies, meet legal requirements and harbor an environment of transparency.

### Quality Assurance

We maintain a total quality assurance policy that ensures that our product meets or exceeds specific quality standards. It is a cornerstone of our business that helps us impart trust among clients for our products reliability, consistency and meet quality guidelines. Our goal of quality assurance is to prevent defects from occurring in products and we achieve it through proper planning and defining quality standards. We implement quality control procedures and conduct inspections and tests to identify and correct defects. We monitor and analyze performance metrics to identify areas for improvement. We also provide training and support to employees to make sure they understand the global quality parameters and follow the specific procedures.

### Why Us?

We have been working in the industry for more than a decade and have overcome lots of challenges in this competitive market. Our products are known for their intrinsic quality and we strive to maintain our quality at all costs. We supply a wide spectrum of versatile products such as Adult Diapers, Disposable Adult Diapers, Disposable Baby Diapers, Unisex White Adult Diapers, etc., to our clients. Some of the reasons for our success in the industry are as follows:

Cost advantage due to an efficient production process, excellent supply chain and access to high-quality raw materials.

We continue to do innovation and invest in research and development.  
We put customer focus as our top priority.
