

We are leading name engaged as Manufacturer, Exporter, Supplier and Retailer of wide range of Ammeter, Car Electric Parts, Current Transformers, Electric Circuit Components & Parts and Electrical & Electronic Testing Devices etc...

Dimmerstat Continuously Variable Voltage Auto Transformer

AC Servo Voltage Stabilizer

DC Rectifier Unit

Ultra Isolation Transformer

Current Injection Test Unit

Low Tension Power Transformer

About Automatic Electric Ltd.

Automatic electric limited is one of the reliable manufacturers and suppliers of electrical products. Our assortment comprises power transformer, high voltage test set, oil test set, cast resin lighting transformer, ultra isolation transformer, current injection test system, anodizing rectifier, electroplating rectifier, ac voltage stabilizer, variable voltage auto transformer and many more items. We are an iso-9001 certified company and have a well-established infrastructural base parted into various units. We have an advanced quality unit; wherein the products are tested on a variety of parameters. Besides quality, we deliver the consignments within the said time frame and that to customers preferred location.
