

Avion Valves & Pneumatics is known as top Manufacturer, Exporter and Supplier of best Ball Valves, Butterfly Valves, Compression Molded Rubber, Coupling and Electric Motors & Components.

Avion IBC Tank Butterfly Valve

Moulded EPDM Seat Butterfly Valve

Wafer Type Damper Butterfly Valve

Double Flange Wafer Type Damper Butterfly Valve

Investment Casting Butterfly Valve

Wafer Type Spherical Disc Butterfly Valve

About Avion Valves & Pneumatics

We at Avion Valves & Pneumatics uphold great expertise in the designing and development of industrial valves of world class quality. As a manufacturer, retailer, wholesaler and exporter, we are serving industries and individuals with commitment of fulfilling their every standard as well as custom requirement for valves with utmost precision & perfection. Our product portfolio contains Ball Valves, Butterfly Valves, Gate Valves, Globe Valves, Check Valves, Strainers, Steam Traps, Control Valves, Solenoid Valves, and many more items. All the latest international industrial norms, regulations and guidelines are met by us for the quality assurance of these products. Our continuously strengthening market presence worldwide is the outcome of our quality-driven, progress-oriented and customer-integrated work. Our target is to lead the markets through our outstanding quality of industrial valves and our work approach to achieve the same is fundamentally strategic & well-planned. We believe that the secret formula to success in the field is securing satisfaction of all the customers. We have a customer centric approach at AVION valves. Our knowledge in the domain blended with the vast experience has enabled us to serve our customers with the best they need. The name Avion Valves & Pneumatics is synonymous with quality and dependability in the field of Industrial Valves & Automation Valves & Pneumatic, and holds a place of repute in the industry for its good business values and customer focus. Vendor Partners To successfully cater to the ever increasing demands of the clients, we have developed strong and wide vendor base. Counted among the major players, our vendors also support us in meeting both large and small orders of the clients within stipulated time frame. Empowered with advanced manufacturing facility and expert workforce, our vendors also ensure us that the range is fabricated as per international quality standards. Why Us? With our expertise and trustworthiness, we have secured a respectable position for ourselves in this domain. Different factors for which we have attained appreciation from clients spread all across the nation are: Reasonable prices Client-centric approach Ethical business policies Large distribution network Adept team of professionals Quality assured product range Excellent transport & logistic facility

Factsheet

Basic Information

Nature of Business : Manufacturer / Exporter / Supplier

Contact Person : Mr. Sarfaraz Vijapura

Registered Address : Office No. 7, Baitul Hamd Complex At & Post Savagadh Taluka,
Sabarkantha, Gujarat

Total Number of Employees : Below 20

Year of Establishment : 2021

Legal Status of Firm : Individual (Sole proprietorship)

Valves & Valve Fittings

Wafer Type Spherical Disc Butterfly Valve

Wafer Type Damper Butterfly Valve

Vertical Inverted Bucket Type Steam Trap

Thermodynamic Steam Trap

Stainless Steel 304 Wafer Check Valve

Single Air Valve

Ball Valves

TC END Ball Valve

ss ball valves

PTFE/Teflon Ball Valves

Pneumatic Actuator
Wafer Type Ball Valve

Pneumatic Actuator TC
END Ball Valve

Pneumatic Actuator High
Pressure Ball Valve

Industrial Valves

Stainless Steel TC END
Butterfly Valve

Stainless Steel
Pneumatic Actuated
