About BCM India

In the world of LED lighting resolutions, BCM India is a name that everybody allies with security, trust, and class. As one of the primary global manufacturers and suppliers of LED Lights, LED Bulbs, Rechargeable LED bulbs, 5W Eye Comfort LED bulbs etc.

We are a reputed company based in New Delhi, India, from where we have strained our reach across India and the globe. Our journey began in 2018 and presently, we are working under the eventual supervision of Mr Mahanta our founder. Under his skillful management, we are rising day by day.

Key-Value

We measure that our vital value proposition is our indulgence & assurance to follow it to the topmost. Technological values and our esteem is a testament to our tough manufacturing abilities, customer-centricity, and best-in-class controllable business practices.

Quality Policy:

We strictly provide the supreme quality of products to our valued clients as we have designed severe quality standards. Our skillful team members are also intense to follow the same.

Our Workforce

We are led by a young, keen, energetic and forward-looking second management, and endure our upward route with a shared vision of carrying both excellence and trust.

Why Choose Us?

We preserve international quality standards

Supply at a reasonable price
