## About J. S. INDUSTRIES

About JS Leatherworks JS Leatherworks is a second-generation genuine leather goods manufacturing company, proudly based in Kanpur, Uttar Pradesh — Indias historic hub of the leather industry. Established in 2005, we carry forward a family legacy of leather craftsmanship, where skills are passed down through hands, not machines. Every product we make reflects decades of experience in material selection, tanning understanding, cutting precision, and finishing quality. We specialize in handcrafted leather accessories, with a strong focus on leather belts, while also offering a wide range of products including footwear, bags, hand bands, and custom leather accessories. Our USP Pure Genuine Leather – ethically sourced, quality-tested hides Handcrafted Excellence – skilled artisans, not mass automation Great Pricing – factory-direct manufacturing ensures cost efficiency Consistent Quality at Scale – ideal for B2B, wholesale, and private labels At JS Leatherworks, we dont just manufacture leather goods — we preserve a craft, deliver reliability, and build long-term partnerships.
