About Bharti Engineers

About us

Established in the year 2021, Bharti Enterprises, is one of the renowned manufacturers, traders, and service-provider of Water Treatment Equipment. Our product range comprises Industrial Products, Filtration Plant, and Water Treatment Plants. Moreover, we also engaged in offering sales services for the proposed products.

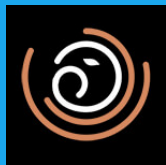

We collect raw stuff from the side of dependable vendors and make use of this quality grade stuff for the manufacturing of our water treatment products. Additionally, we lay huge stress on following the predefined industry standards and norms for improved quality and functionality of our products.

Our infrastructure

We have established a world-class infrastructure set up with numerous machines and tools based on advanced technology. For keeping the obstruction-free flow of operations, Bharti Enterprises have appointed a team of experienced experts that strives hard to meet the varied needs of our valued customers.

Bharti Enterprises test the excellence of our product range before the end of delivery and ensure the cautious implementation and timely carrying out of our maintenance and repair services. Our professionals lay huge prominence on offering a good mixture of cost and quality to our respected customers.

Based in Jaipur, Rajasthan (India), the company is owned and managed by Mr. Surendra Agrawal (Founder). His experience and knowledge are helping the company to gain huge success. We are committed to developing and attracting a diverse workforce of professionals that share the common value of teamwork.
