About Bio-Acorns Global

Here's your refined company profile with the additional products seamlessly integrated for a more complete and compelling presentation: --- **BIO-ACORNS GLOBAL** Located in Uttar Pradesh, **BIO-ACORNS GLOBAL** is a trusted name in eco-friendly manufacturing and sustainable agriculture, dedicated to creating innovative solutions for a greener future. We specialize in producing high-quality **paper plates, paper cups, paper bowls, tissue paper, and toilet paper**—all 100% biodegradable, safe, and suitable for all occasions. Our disposable paper products are crafted with precision and care, ensuring hygiene, durability, and environmental responsibility. In addition to our paper-based offerings, we manufacture **biomass briquettes**, a clean and renewable energy source that helps reduce carbon emissions and supports eco-conscious energy solutions. Expanding our commitment to sustainability, **BIO-ACORNS GLOBAL** also offers premium **agricultural products**, including **jaggery and jaggery powder**. Sourced from natural sugarcane and processed without chemicals, our jaggery products are rich in nutrients and ideal for health-conscious consumers and culinary applications worldwide. With a focus on **quality, innovation, and global standards**, **BIO-ACORNS GLOBAL** supplies its diverse product range across international markets—serving industries, events, and businesses with dependable service and timely delivery. Our modern manufacturing facilities uphold the highest standards of hygiene and efficiency. Guided by the visionary leadership of **Mr. Prashant Kumar**, we continue to expand our reach and impact—promoting sustainable living, supporting rural economies, and meeting the evolving needs of our customers. **BIO-ACORNS GLOBAL** stands for **quality, reliability, and a cleaner planet.**
