## About Brown Trade

Brown Trade was established in the year 2018 in Uttar Pradesh, India. We are manufacturer and supplier of men leather shoes.

Family-owned and operated, you can find some of the most famous footwear brands on our customer list. Offering high-quality fashion footwear and accessories unique to the fashion world, we are steadfast in showing off our 'timeless love affair with leather shoes and accessories.

### Our Mission

Brown Trade empowers you to bring to life your envisioned product design and supply premium leather products for brands including footwear, and accessories. We assist you in creating a unique brand by providing you with a world-class design platform, limitless customization options, and state-of-the-art manufacturing mixed with traditional craftsmanship.

### Our Vision

Brown Trade's vision is to create high-quality premium leather products so that the end customer is hooked for life. Once the end customers try the product, they will become brand ambassadors for life due to the quality, comfort, and elegance provided. We try to distance ourselves from the herd of uninspired and mass-produced leather products by enabling our customers to design and create their ideal products into a premium brand.

### Our Values

Brown Trade is dedicated to the sustainable and ethical production of top-quality leather goods. It ranges from our energy-efficient and affordable manufacturing centre to the sourcing of premium quality and environmentally sustainable raw materials. We source the best quality raw material from the Leather Working Group (LWG) certified tanneries worldwide and maintain the highest quality standards and audit ratings.

Through our sustainable manufacturing processes, we are doing our bit to reduce adverse environmental effects, conserve energy and natural resources, and also have a positive impact on the community and society as a whole.
