About BTP Eco Products Pvt. Ltd.

In the business since 2020, **BTP Eco Products Pvt. Ltd.** is a Greater Noida (Uttar Pradesh)-based company that is involved in manufacturing, supplying, and exporting the finest quality products like food containers, ice cream cups, paper cups, biodegradable paper cups, compostable paper cups, single wall paper cups, ripple paper ups, Kraft paper cups, paper plates, paper lids, paper coasters, paper bags, wooden cutlery, etc. We have been progressing forward with our unmatched quality products that have made us stand apart in this highly competitive market.

Our offered products are designed and created by a team of dedicated specialists using premium-grade materials. All of our products are inspected by a team of quality experts to match certain industry-set parameters in order to ensure their accuracy. These products are high in demand due to their outstanding feature like resistance to high temperature & heat, seamless finish, un-breakability, recyclability, biodegradability, affordability, etc.

Our company is equipped with ultra-modern infrastructure and this has enabled us to manage all of our business-related activities in a systematic manner way under a single roof. Our manufacturing unit is furnished with all the essential machines and world-class quality tools which help us to meet the rising demand of our customers. Owing to the great support of our teammates, we are achieving our business targets on time and have managed a list of satisfied customers across the world.

Under the leadership of our mentor Mr. Rajeev Kumar, the company has been able to set a benchmark in this domain. His business insights, detailed industry knowledge, and constant motivation have made us a favorite choice of our customers.
