About Caltech Engineering Services

Deals in pit gauges, ssc proof rings, surface profile gauge, wet film thickness gauge, copper sulphate electrodes, digital thermo hygrometer, holiday detector, coating thickness meter, paint thickness gauge, adhesion tester, viscosity, coating performance, application, color, gloss, thickness, adhesion, hardness, flexibility, impact, abrasion, tensile, ink, printing instruments, oven, water bath, dispersing, weathering tester, salt spray cabinet, uv weathering tester, xenon test chamber, climate cabinet, tools, resistance ohmmeter, temperature & humidity tester, moisture/roughness, standard substrates, charts and grinding beads.

Factsheet

Basic Information

Nature of Business : Manufacturer / Exporter / Supplier

Contact Person : R J Chaudhari

Registered Address : D-104, Twin Arcade, Military Road, Marol, Mumbai, Maharashtra

Total Number of Employees : Below 20

Year of Establishment : 2002

Legal Status of Firm : Individual (Sole proprietorship)
