About R.P Steel

Established in 1992, Omni has emerged as a pioneer of Stainless Steel Screws in India. Omni enjoys a major market share in the Stainless Steel Screws segment and also has received appreciation from leading architects builders & manufacture industry for its high quality and durability of the product. Stainless Steel Screws lasts many times longer and remain rust & moisture proof as compared to other screws available in the market. Omni has complete in-house production facilities having all latest & Hi-tech machines to offer high quality Stainless Steel Screws with optimized production. Omni produces all kinds of screws like CSK Self tapping, Pan head, Wood screws, Phillips Head screws, Pan Phillips Combination with washer screws, Carriage bolts, Machine screws, Brass Plated Stainless Steel Screws, Antique Polish Stainless Steel Screw & SS Round wire Nails that are widely available through distributors/dealers network across India. At its initial stage India once product carbon steel & alloy steel screws around 1990 it turned to specializing in stainless steel screws. After years of hard work Omni has now become the leading manufacture in stainless steel screws whose products are sold across India. We believe in QC at every stage of business cycle : Marketing – Designing – Planning – Purchasing – Receiving – Inspection – Manufacturing – Process – Control – Finishing – Inspection – Packing transportation & Delivery. Our trained and skilled manpower is our main strength. we have workers who have more than a decade of experience on the various Machines. We are an ISO 9001:2000 certified company, hence we ensure that we adhere to all the guidelines and procedures laid down for proper and systematic working of the organisation. As the largest supplier of stainless steel screws in India our quality & service are certain to please and satisfied our customers. Consult a professional & discover the difference between Omni Stainless Steel Screws & other similar SS screws
