About CONTAGLOBE INDIA PVT LTD

Contaglobe India Pvt. Ltd.

Established in 2022 in Nashik, Maharashtra (India), Contaglobe India Pvt. Ltd. is a renowned manufacturer and supplier of stainless steel hinges and stainless steel channels. We have specialization in door hinges, stainless steel L hinges, brass hinges, metal channels, mild steel telescopic channels, heavy duty drawer channels, steel telescopic channels, stainless steel telescopic channels, curtain supports, aluminum kitchen profiles, and stainless steel door kits.

Our infrastructure

Contaglobe has a special manufacturing facility that covers more than 20,000 square feet. Starting from raw material slitting and cutting to component stamping, die-casting, roll-forming, injection moulding, electroplating, assembly, powder coating, and then packing and delivery, all the processes of the production are finished within the best production site in a closely connected sequence.

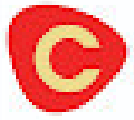

Quality:

We focus more on the quality of the products as their stamp. The raw materials are sourced from the top vendors and manufacturerd and re-checked for different parameters so as to make sure of the best quality.

Network:

With the support of an efficient and speedy network, Contaglobe has the full capability of giving the products to clients located in any part of the world. The speedy network is well known for its security and delivers the products in a timely manner.

To boost up the core activities and deliver products that meet the requirements of the diverse base of buyers and clients, which adds something more to the objective growth.
