We are a leading ISO 9001-2015 as well as CE CERTIFIED manufacturer and stockist of Control Gear Equipment, used in EOT Cranes , Cane Unloaders as well as Grabbing Cranes which include the following. STARTING RESISTORS - AUTO MATIC ROTOR STARTER PANEL DYNAMIC BRAKING RESISTORS - S.S.WIRE GRID RESISTANCE BOXES CURRENT COLLECTORS - ELECTRO HYDRAULIC BRAKES MASTER CONTROLLER - PUNCHED GRID RESISTANCE BOXES LEVER LIMIT SWITCH - ELECTRO HYDRAULIC THRUSTORS ROTARY LIMIT SWITCH - FLEXIBLE GEARED COUPLINGS CABLE TROLLEYS - ELECTRO MAGNETIC BRAKES CABLE REELING DRUMS We are also manufacturing Starting / Slip Resistors used for starting high capacity Slip ring Motors in industries such as Sugar Mills, Rolling Mills etc. We are also manufacturing Dynamic Braking Resistors for AC Drives. In addition to above, for the last Thirty Six years we have been providing excellent service to both Crane manufacturers as well as users and most of the Crane manufacturers are installing our products as original equipment. Our products are approved in both private as well as Government organisations. We are in fact also regular supplier to various Electricity Boards ,Railway Workshops as well as Railway Sheds and other government organisations all over India and our material is also being exported out side India. Also since we are approved OEM [ Original Equipment] manufacturers various Crane manufacturers install our equipment on Cranes which are supplied to various private and government organisations all over India. Our products are designed, based on the respective Indian Standards and hence can be interchanged with other brands provided of course if the other manufacturer has also followed the correct Indian Standards while designing and manufacturing his product.

## Factsheet

### Basic Information

Nature of Business : Manufacturer / Exporter / Supplier / Retailer / Service Provider

---

Contact Person : Mukesh Malkani (Partner)

---

Registered Address : B 249, Okhla Industrial Area, Phase - I, New Delhi

---

Total Number of Employees : 20 - 50

---

Year of Establishment : 1988

---

Legal Status of Firm : Partnership

---

## Limit Switches

Sheet Metal Rotary Geared Limit Switch

Sheet Metal Lever Limit Switch

Cross Bar Limit Switch

Crane Lever Limit Switch

Counterweight Limit Switch

Cast Iron Rotary Geared Limit Switch
