About DD Engineers

DD Engineers, based in Faridabad, Haryana, began its operations in 2016 as an exporter and supplier of high-quality agricultural products. Led by Mr. Brijesh Yadav, the company has carved a niche in the market with a diverse product range that meets international standards of quality and freshness. Our offerings include an extensive selection of whole spices, fresh fruits, fresh vegetables, peanuts, basmati rice, and vegetable seeds, catering to customers' varied needs across the globe.

Our whole spices portfolio features a wide array of aromatic and flavorful spices, including Yellow Mustard Seeds, Poppy Seeds, Green Cardamom, Fenugreek Seeds, Dry Cloves, Dried Bay Leaf, Coriander Seeds, Cinnamon Stick, Black Peppercorn, Black Pepper Seeds, Black Mustard Seeds, Black Cardamom, Asafoetida Lumps, Cumin Seeds, and a variety of Turmeric Fingers such as Alleppey, Chintapalli, Erode, Lakadong, Nizamabad, Rajapuri, Sangli, and Salem. These spices are sourced carefully to ensure they retain their natural essence and enhance the culinary experience.

In addition to spices, we offer a range of fresh vegetables, including Fresh Ginger, Fresh Green Chilli, Fresh Green Peas, Fresh Red Onion, Fresh White Onion, and Fresh Sweet Matar, along with fresh fruits such as Fresh Tomato, Fresh Black Grapes, Fresh Green Grapes, Fresh Green Banana, Fresh Yellow Banana, and Fresh Orange. Our peanut varieties, including Bold Peanuts, Java Peanuts, and TJ Peanuts, are known for their quality and taste.

We also specialize in premium basmati rice varieties, including 1121 Basmati Rice, White Steam Basmati Rice, Traditional Basmati Rice, Sugandha Basmati Rice, Sona Masoori Basmati Rice, and many others. Our selection of vegetable seeds, such as Grixisonsazia Yellow Zucchini and Green Brinjal Seeds, is curated to ensure high germination rates and excellent crop quality. At DD Engineers, our commitment to quality and customer satisfaction drives us to continuously expand our product range and deliver the best to our clients worldwide.
