About Dhiman Agro Workshop

Dhiman Agro Workshop is an experienced and distinguished manufacturer and supplier of agricultural tools at market-competitive rates. We are providing high-quality, durable, and excellent construction. Our products are manufactured of mild steel and are widely used in agricultural tools.

Our products are manufactured as per the requirements of the customers. We are following strict industry guidelines and are tested before delivering them to the customers.

Quality Assurance

We are offering agro products like disc harrows, tractor trolleys, tractor water tankers, handling trolleys, etc. Apart from Trolleys, we are also offering concrete mixer machines, mild steel grills, etc. We are offering these products in various sizes and specifications to esteemed customers. These machines can withstand heavy weight and are available in various colors.

These trolleys are of high quality and are available in a wide range to customers. Our products are delivered throughout the country. Our products are made up of different metals and have different capacities. Based in Punjab, our hired professionals procure quality raw materials from renowned vendors in the market. We are offering damage-free services to customers at reasonable rates.

Our USP

Established in the year 2019, we are offering outstanding products at budget-friendly rates. We focus to provide different types of electrical products and other products under one roof. We are renowned for offering our products and services timely to the customers.
