About R K SECURITY SOLUTION

A reputable brand in the security sector, R K Security Solution is a shining example of dependability and creativity. Since its founding in 2012 under the direction of Mr. Raj Kamal, Managing Director, the business has grown to become a leading supplier of security solutions.

Portfolio of Products:

R K Security Solution is a full-service security company with a focus on protecting people and property. Modern security solutions are available from the company, including robust road bollards, boom barriers, and intelligent vehicle loop detectors.

Their commitment to being at the forefront of security is seen in the notable innovations they have made to their repertoire, such as Hydraulic Road Blockers and Vehicle Scanning Systems.

Area of Presence

Strategically serving Delhi, the largest market in India, is R K Security Solution, which has its headquarters located in Ghaziabad, Uttar Pradesh. This strategic location, which ensures that the exact security needs of the vibrant metropolis and its surrounding areas are met, supports its ability to provide clients with excellent service.

Leadership

Mr. Raj Kamal, Managing Director of R K Security Solutions, leads the charge in establishing and exceeding new goals. His vision and leadership have helped catapult the firm to the top of the security solutions sector.

Presence In The Market

While we are based in Ghaziabad, our influence reaches major markets, most notably Delhi. In terms of protecting companies and communities, our products have become synonymous with dependability and efficiency.
