About Eppotum Initiatives Private Limited

Eppotum Initiatives Private Limited is an established organization from Delhi (India) that is engaged in the trade of a wide range of products. We are recognized as a trustworthy supplier of high-quality wooden furniture, Kent water purifier, and electric geyser that cater to buyers specific demands. We are also known as a dependable service provider offering the best in class home interior designing service and modular kitchen installation service. We obtain the products from manufacturers who use the finest materials and components so that our products render impeccable performance over a period of time. Our services have been managed by creative professionals, who add a touch of exclusivity to the interiors.

The company has been led by Mr. Sahil Sharma, who serves as the Owner, ever since Eppotum Initiatives Private Limited was established back in the year 2018. We maintain the bulk stock of quality products to fulfill the urgent demands of buyers, and we specialize in delivering them with zero damage.

Vendors

The company is backed by an impressive vendor base, which enables it to sell products across the nation. Our connection with the nationwide vendors has given us a firm base to cater to buyers demands in a timely and streamlined manner. Our vendors enable us to provide the finest to the buyers.

Why Choose Us

Exclusive range of products Large and well-maintained warehouse Experienced team of professionals Association with reputed vendors Ethical business practices Competitive pricing policy Timely and safe delivery
