## About Falah International

Falah International was established in the year 2020 in Uttar Pradesh, India. We are manufacturer and supplier of Men slippers and men's sandals.

We create products that make the lives of our customers easier and better. Our core products are our unique, anatomically shaped shoes and sandals. Falah International invented the sandals and has also shaped the meaning of the term, which is so common today.

### Why Choose Us?

The shoes and sandals that we offer are not only a unique, revolutionary product concept that paved the way for a completely new market. It's also a core idea and a reference point for everything that we do. Now and in the future.

Everyone should have access to our footbed. Falah International stands for excellent comfort, high functionality and extraordinary quality. The high level of quality is the result of carefully selected, high-quality materials from sustainable sources that are processed under what are for our brand's typically demanding conditions.

Our products promote well-being. They do well. So they stand out from the flood of cheap products that dominate large parts of our consumer world today.

All the products of our company are quality tested at supplied to customers always on time. We take orders in bulk and deliver them to our customers at their preferred location.
