## About Furniture of India

We are “Furniture of India” – Indias Top brand - in Royal and Premium Wood Furniture hand carved in classic designs with modern approach. Delivering all over India and to most countries out of India, we are taking our art to the entire globe. The versatile designs and huge range of products, together with made-to-order customizable units as per client selection and liking, have gained us appreciation and orders from across the globe. Modern plain furniture is available everywhere on most of the local furniture stores; however our kind of work takes time and a lot of effort to make it as per clients requirement and we are happy to personally help every client to get what they like. We do not make cheap furniture or sale furniture as we strongly believe “Cheap and Best” is a vague term, best cannot be cheap and cheap cannot be Best anyhow. Our work involves hours/ days and sometimes months of hard work to create a single product and yes masterpieces requires time to create. Our style of work is known by different names like Victorian Furniture, Maharaja Furniture, Artistic Luxury Furniture, Mughal Art furniture, Exclusive Classic Indian Furniture, Contemporary & Antique Collection, all hand-crafted by our local artisans with the quality that matches the Brand – Furniture of India
