About Fusion Glass Concept

Company Profile

Established in the year 2019, we at Fusion Glass Concept have the pleasure of introducing ourselves as reputed Wholesalers, Dealers and Contractors for glass/mirrors and more glass-related products. Our list of products comprises Multipurpose Glass, Clear Glass, Magnetic Glass, Fusion Glass, V Groove Glass, Frosted Glass, Back Painted Glass, Coloured Mirror, Antique Mirror, Designer Mirror, Venetian Mirror, LED Mirror and Shower Cubicles.

Our team

We have earned a renowned position in the market as per our client-centric approach, quality products, faster deliveries, budget-friendliness and flexible payment choices. Our team of quality personnel manages the whole process of the manufacturing and at the same time performs different tests to make sure that our products possess enduring durability and strength. We also promise durable and unmatched performance, throughout their operations.

Our infrastructure

To get the utmost advantages from world-class services, we have employed a highly professional team. We are rightly answering the bulk orders of the client on time. We are well equipped with world-class infrastructure and more important services. We enable us to show exemplary production ability. Moreover, proper testing arrangements are being set up in the quality checking unit.

With the progressive approach and foresight of our mentor Ali Petiwala, Fusion Glass Concept has successfully created different benchmarks in the industry. His firm vision and commitment are to give a product line which is quality-approved and cost-effective.
