About Gayatri Tool Room

Gayatri Tool Room, a leading manufacturer, exporter, and supplier of high-quality FRP pultrusion dies based in Ahmedabad, Gujarat. Founded in 2019 by Mr. Sanket Dhirajlal Sadariya, our company has quickly established itself as a trusted name in the industry, known for our commitment to quality, innovation, and customer satisfaction.

At Gayatri Tool Room, we specialize in a comprehensive range of FRP pultrusion dies, including FRP angle dies, C channel dies, cable tray dies, cover dies, and many more. Our extensive product line also features specialized dies such as H beams, I beams, handrails, and various tube profiles, catering to a wide array of industrial applications. Each of our products is meticulously designed and manufactured to meet the highest standards, ensuring optimal performance and durability.

Our team of skilled professionals brings together years of expertise in the field of pultrusion technology. We utilize advanced manufacturing techniques and state-of-the-art equipment to create dies that not only meet but exceed our clients' expectations. This dedication to excellence has allowed us to forge strong relationships with clients both domestically and internationally, as we strive to understand their unique needs and provide tailored solutions.

Innovation is a cornerstone of our philosophy at Gayatri Tool Room. We continuously explore new materials and processes to enhance our offerings and remain at the forefront of the industry. Our proactive approach ensures that we stay ahead of market trends and technological advancements, allowing our customers to benefit from the latest developments in FRP technology.
