## About GPS Agencies

Situated in Vijayawada (Andhra Pradesh, India), GPS Agencies is one of the most celebrated names in the industry. Under the leadership of Nooney Lalith Praveen (Company Founder), the company has been able to supply the best quality electrical switches, TC connector, thermocouple connector, relay connector, capacitor duty contactor, MCB, miniature circuit breaker, MCCB, and many other. We offer many types of electrical switches such as relay switches, changeover switches, automatic transfer switches, manual transfer switch, and ammeter voltmeter. The electrical switches provided by us are made using the most advanced components and tools at our vendor's end. These electrical switches are largely appreciated for their efficient performance, greater reliability, and long service life. Operating in the industry since the year 2019, the company has been able to gain a sizeable clientele in the industry. The TC connector delivered by us is best known for its reliability and long service life. Our MCB is best known for its reliable performance and durable life. All the products that we offer are available in a wide variety of several specifications and sizes. Dial the numbers that are available on this website to connect with us.

## Customer Satisfaction

Be it a normal order, or urgent order, we make sure that we deliver only the best quality products to the clients every time. We have always attained the utmost customer satisfaction from our clients as well.
