About Green Sky Services Pvt.Ltd.

Established in the year 2019, Green Sky Services Pvt.Ltd. is counted amongst the most reputed names in the market of Patna (Bihar, India) for exporting, supplying and trading a diverse range of construction and agro based products all across the globe. With years of experience in the industry, we have become a prominent dealer of hygienically produced, processed and packed Indian Rice, Wheat Seeds, Wheat Flour, Fresh Vegetables, Indian Pulses, Mustard Seeds, Mustard Oil and Indian Sugar. Along with this, we are also involved in providing a range of Construction Cement and TMT Bars of different specifications and brands.

Being a reliable business entity, we coordinate with a wide network of vendors and manufacturers who are trusted in the domain of producing their products following the set criteria of their respective industries. We source our products from only well-established vendors who have all the technical expertise and experience in leading seamless availability of products in the required quantity and prices. To ensure this, our offered range comes from some top brands like Fortune, Dhara, Ultratech, Dalmia, Jaypee, Birla, Tata just to name a few.

As a quality centric organization, we pay special emphasis to associate with ethically inclined entities who organically grow and process our agro products by using the safest methods that can result in the best aroma, taste, texture, appearance and flavour. Thus, we are highly acclaimed for providing nutritionally packed products that have a long shelf life.

We are backed by a dedicated team of professionals who strictly check and evaluate the procured products to avoid any defect during the shipment. Our experts are working in their field for a long time and contain enough knowledge to perfectly customize our products to meet the detailed specifications of the customers. With this, we also have a well sectioned warehousing facility where all the products are separately stored according to the desired condition and precautionary measures.

Green Sky Services Pvt.Ltd.

Our network is extended to an efficient distribution channel which is effectively widespread to all the major areas for a convenient, safe and timely delivery of all the goods. To remove any inconsistency and maintain complete transparency during dealings we have a 24/7 customer support at disposal of our esteemed customers.
