About HARMONY GROUP

Founded in **2017** and headquartered in **Mumbai, Maharashtra**, **Harmony Group** stands as a prominent **service provider** in the domain of freight, logistics, registration, warehousing, and custom clearing services. With a steadfast commitment to excellence and customer satisfaction, the company has earned a reputation for reliability, efficiency, and integrity in its operations.

At the core of Harmony Group's service offerings is its comprehensive range of freight services, catering to diverse transportation needs across air, land, and sea. Whether it's expedited delivery via air freight, efficient ground transportation through land freight, or cost-effective shipping solutions via sea freight, the company ensures seamless logistics management to meet clients' timelines and requirements.

Complementing its freight services, Harmony Group provides an extensive suite of logistics solutions tailored to meet the complex demands of global supply chains. From global logistics services encompassing end-to-end freight management to specialized sea logistics and consultancy services, the company leverages its expertise and network to optimize clients' logistical operations.

Recognizing the regulatory complexities of international trade, Harmony Group offers a comprehensive array of registration services, facilitating seamless compliance with statutory requirements. From FIEO and MSME registration to GST and FSSAI registration, the company assists clients in navigating the intricate landscape of regulatory frameworks, ensuring adherence to legal norms and facilitating smooth business operations.

Furthermore, Harmony Group offers warehousing services, providing secure storage facilities for clients' goods, coupled with efficient inventory management solutions. Additionally, the company excels in custom clearing services, streamlining the import and export process while ensuring compliance with customs regulations and facilitating timely clearance of shipments.

Driven by a commitment to innovation, reliability, and customer-centricity, Harmony Group continues to set new benchmarks in the realm of logistics and related services. With a dynamic team of professionals and a robust infrastructure, the company remains dedicated to delivering value-added solutions that empower

businesses to thrive in today's competitive marketplace.
