About Harsh Renovation

Established in the year 2011 our company Harsh Renovation is based in Nagpur, Maharashtra. We are the reliable and trusted manufacturer and supplier of Phoenix HRT tabletop scales, Phoenix platform scales, Phoenix HRP baby scale, Phoenix crane scale and much more. We have products with the latest designs and at a reasonable price. We have a wide range of products for our customers and clients to choose from.

We are manufacturers who offer high-quality products not only to our customers in India but even to our customers all around the world.

Ever since our establishment, we have been manufacturing an outstanding range of products for our customers and clients using advanced technology and machines along with premium quality raw materials. Over the years we have perfected ourselves in manufacturing products using the best equipment and tools so that our customers get only the best at every stage.

Why Choose Us?

We believe that our customers should get products that meet the needs of our customers and clients. We have dedicated and well-qualified professionals who help us reach the highest position in the market where we can easily meet the growing global challenges. We ensure that our customers are satisfied with our products and perform quality control tests. We have 24/7 customer support and also provide one year warranty with our products.

Therefore call us and get our products today at an affordable price. Contact us for more details.
