## About High Carat Diamond

If there is one jewellery piece that speaks of forever, then it is the Diamond. It is the sole reason diamonds are a popular engagement ring choice. A rare diamond adds to the value of the investment. These are also the best gifting options for special occasions like weddings, anniversaries, birthdays, etc. This versatile jewellery is available in varying forms studs, long earrings, etc for celebrating special occasions. High Carat Diamond is a coveted manufacturer and trader of a comprehensive range of Diamond jewellery in Surat. As an upcoming and thriving enterprise, we are recognized as a leading exporter of GIA and IGI-certified diamonds globally. Our customers speak highly about our product quality and exceptional customer service.

**Our Product Range** Our product range includes a comprehensive range of diamonds ranging from Lab-grown diamonds, Pear-shaped diamonds, Oval-cut diamonds, CVD diamonds, etc. Our company has built a brand identity owing to our superior diamond quality, shape, cut and colour. Our Lab-grown diamonds are cost-effective and come with a certificate of authenticity. We provide a certified diamond range in varying carat options to accommodate customers from different walks of life. Our diamonds are cut and manufactured using the latest equipment and technology for high-quality end products. Our diamonds can be the best heirloom to pass down to our clients generation as they stand the test of time.
