About Indu Multipack Industries

Active in the industry of plastic and fiber, Indu Multipack Industries is a celebrated name in the polymer industry. At us, you can find an assortment of polymer products like liner bags, garbage bags, mulch film, packaging bags, polythene sheet, plastic courier bags, and more. All these products are conceived by utilizing high-quality raw plastic from licensed vendors. Our products are durable and pocket-friendly. Hence, they remain a prominent widescale choice for buyers. To place your orders in bulk for any of the plastic polymers, get in touch with us today.

Indu Multipack Industries is based in Daman (Daman & Diu). It was incepted in the year 2014. Over the years and owing to the dedication of employees, we've been succeeding in surpassing the expectations of clients. Ours is a full-fledged team of professionals that leaves no stone unturned in assisting clients that approach us. We've been improving our business modules for providing a smooth experience to all clients.

Manufacturing Unit & Storage

We own a commodious manufacturing unit equipped with modern machinery. All machines are automatic and easily process the raw material for plastic polymers. All finalized products are properly checked before being supplied further.

Clientele

Being a reputed name serving the fiber industry, we've been victorious in establishing a huge clientele in and around Daman. We aspire to knit an international clientele in near future. We keep providing exclusive discounts for all our clients.

Choose Us

Clients prefer us because:

Our products are durable We offer lucrative deals No additional fee is charged
