## About Jagsone Metal Workers

Since **1991**, **Jagsone Metal Workers** has been a trusted **manufacturer** and **service provider** in **Delhi** for a wide range of metalwork solutions. We specialize in crafting high-quality industrial dies and metal components, along with offering reliable power press job work.

Our core strength lies in the production of various industrial dies. We manufacture deep draw dies for creating complex shapes from sheet metal. Metal bending dies and cutting dies ensure precise forming and clean cuts, while progressive dies handle intricate multi-stage metal forming processes.

Jagsone Metal Workers understands the importance of secure fastening. We offer a diverse range of metal clamps to suit various applications. From bike leg guard clamps to hose clamps and E rickshaw U clamps, our selection caters to the needs of the automotive and electrical industries. We also manufacture galvanized iron clamps and stainless steel clamps, providing options for different environments.

Our expertise extends to stainless steel products as well. We create high-quality stainless steel deep drawn components for demanding applications. We also manufacture electrical boxes and sheet metal parts from stainless steel, ensuring durability and corrosion resistance. Jagsone Metal Workers goes beyond stainless steel, offering brass and copper sheet metal parts for various uses. Additionally, we produce forged suspension arms, a testament to our ability to handle complex metal forming tasks.

Jagsone Metal Workers also offers comprehensive power press job work services. We utilize our expertise and machinery to transform your designs into reality, ensuring precision and efficiency. Founded by **Mr. Rishi Malhotra**, Jagsone Metal Workers has built a reputation for exceptional quality and customer satisfaction. We are committed to using premium materials and employing skilled professionals to deliver products that meet the highest standards.

Whether you require custom dies, reliable clamps, or expert metal fabrication, Jagsone Metal Workers is your one-stop shop in Delhi. We offer a comprehensive range of services and products to cater to your diverse metalwork needs. Contact us today to discuss your project and experience the Jagsone Metal Workers difference.
