About Jai Arihant Industries

Stainless steel is the most widely utilized metal for residential, commercial and industrial purposes. The metal offers versatile usage and numerous advantages such as durability, cost-effectiveness and high performance. Stainless- steel products are also sought-after metals for businesses like hospitals, railways sectors, hotels, etc.

Jai Arihant Industries is a distinguished and promising manufacturer and trader of superior- quality stainless steel products. Our customized stainless steel product solution for our customers has helped us earn brand value and reputation. Based in Delhi, we are a pan-India Company that provides high-quality stainless steel products at the best price.

Company USP

Our company has a diverse stainless steel product range like steel kitchen sinks, Stainless Steel Wash basins, Stainless Steel Urinals, etc. Our products are aesthetically pleasing, functional and of excellent quality. Our products are also available in a plethora of model sizes, types and colours to accommodate diverse customer needs. Our products are low maintenance and sturdy for long usage.

Our in-house team also provides 24/7 customer support to our customers for maximum value addition. We also cater to bulk and urgent stainless steel product orders without additional charges. Our product packaging is flawless and is delivered right at our customer doorstep for complete customer satisfaction. We are aiming to expand our stainless steel product line in upcoming years.
