## About Jaipur murti bhandar

Based in Jaipur (Rajasthan), Jaipur Murti Bhandar is an eminent business entity that has come into existence in the year 1900. The organization is successfully engaged in catering to demands for marble products and other decorative items since its inception. We are engrossed in manufacturing, exporting, and supplying a wide range of marble statues, sandstone jalis, sandstone temples, etc.

### Our Workforce:

Jaipur Murti Bhandar is supported by skilled and experienced artisans for producing products with the latest as well as traditional methods. All the business processes are managed by our professional team efficiently. Right from the stage of sourcing raw materials to product delivery, our professional team keeps a strict eye on every level. They work hard to attain maximum client satisfaction.

### Quality Policy:

Being a quality-focused organization, we take all possible attempts to maintain the quality standards of our product at each level of the production process. We have laid out a strict quality management policy for designing and creating marble products and other items in compliance with set quality parameters. We also have our in-house testing facility that is equipped with modern testing equipment to test manufactured products and guarantee their quality standards. Our quality testing specialists work attentively to bring fault-free, elegant, and standard quality products to the market. They ensure that the products we offer are of unparalleled quality and are free from any harmful chemicals & paints.

### Infrastructure:

Our infrastructure helps us in catering to the increasing requirements of our clients. It is installed with all necessary machines and tools that expedite the production process to produce products within the specified time frame. Our infrastructure also has a well-constructed warehouse facility for standardized inventory management.
