## About James Wild Herbs

James Wild Herbs proudly presents itself as an ISO 9001:2008 certified company from Delhi (India) that excels in manufacturing a variety of products. The company serves as a trusted manufacturer, exporter, and supplier of premium quality organic oil, herbal extracts, herbal butter, herbal salt, natural clay, bees wax, carnauba wax, round bottle cork, customized bottle cork, and fragrance oil, which it makes available under the brand name of 'John Aromas'. We hold unparalleled mastery in the process of identification, extraction, and processing of naturally active ingredients from rare Indian herbs. Our products have immense demands in industries like Pharmaceutical, FMCG, Ayurvedic, Food & Beverage, Cosmetics, and many more.

James Wild Herbs was established as a company in the year 2012, when industry veteran i.e. Mr. Anu Kumar Sharma (Founder) decided to bring out an effective range of herbal products. The company's brand value has been witnessing a rise due to the marketed products' effective formulations, reliability, and reasonable pricing.

### Corporate Culture

We are committed to giving high priority to Customer-First and People-Oriented working methodology. The cumulative trait of our people, work-process, and other aspects of the operation are as follows:

- **Our Belief:** We believe to create a reputation based on quality, which is deeply rooted in responsibility.
- **Our Pursuit:** We are consistent in the pursuit of improving our quality control system and remain a front runner for technical innovation and delivering value for money to our customers.
- **Our Guarantee:** We guarantee to bring forth a wide assortment of first-class, premium-grade products formulated with full responsibility towards quality and effectiveness.
