About Jash Manufacture Industry Private Limited

Based in Dehradun, India, Jash Manufacture Industry Private Limited is diligently involved in the manufacturing and supplying of Wood and Bamboo. Our range includes various sizes and specifications of Bamboo Skewers, Bamboo Chopsticks Bamboo Stirrers, and Bamboo Lollipop Sticks etc. Our client is a Japan based company who are leaders in supply of top quality skewers in Japan.

We also provide bamboo products training and support to manufacturing units in India. Our products are tested scientifically for their physical and chemical properties, physical strength, colour and flexibility. That is why we are able to choose best of the bamboo species for these products that are grown amidst best suitable climate by local farmers. Only selected bamboo poles that meet the require quality standard are harvested for processing to provide the best products to our client free from moisture, stains, and breakages.

In order to stay true to our quality policy, we have developed highly advanced infrastructure facility that is well-installed with ultra-modern machines, tools and equipment. Owing to our pioneering infrastructural facility, we have been offering premium quality products to the patrons as per the numerous requirements to the customers.

It is also systematically divided into several sections such as manufacturing section, quality management section, warehousing & packaging section and others. All our operations are handled by our professionals, assisting us in becoming a leading name in this highly competitive space.

Some of the other factors that help us to accomplish enhanced credibility in the industry are as follows:

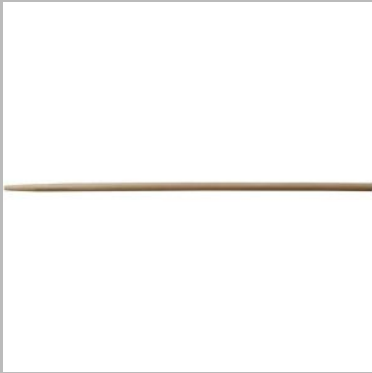

Highly skilled team of professionals
Scrupulous quality standards
Client-centric approach
Ethical business policies
Transparent business dealings
Timely delivery
