About JRM Solution

J.R.M Solution is a leading firm in the field of industrial automation systems, known for its innovative and advanced solutions across a wide range of industries. Since its founding in 2010 by Mr. Ashish Srivastava, the company has established itself as a trusted partner for businesses seeking to improve efficiency, precision, and productivity through automation. Headquartered in Delhi, India, J.R.M Solution has built a reputation for delivering high-quality automation services that cater to the evolving needs of modern industries.

With a focus on driving technological advancement, J.R.M Solution provides automation solutions that streamline processes, reduce operational costs, and enhance overall performance. Their expertise spans multiple industries, where automation plays a critical role in maintaining competitiveness and ensuring consistent production standards. By integrating cutting-edge technologies and customized solutions, J.R.M Solution helps its clients achieve seamless operation, improved accuracy, and increased output.

J.R.M Solutions strength lies in its ability to adapt and offer tailored automation systems that fit the unique demands of each industry they serve. Whether dealing with complex processes or high-volume operations, the company is dedicated to delivering reliable and efficient solutions. Their team of skilled professionals brings years of experience and technical knowledge to every project, ensuring that clients benefit from the latest advancements in automation technology.

As a forward-thinking company, J.R.M Solution is committed to remaining at the forefront of industrial automation. Their continued focus on innovation, coupled with a deep understanding of industry-specific challenges, positions them as a key player in helping businesses achieve operational excellence. Through their solutions, they empower companies to meet the demands of an increasingly automated world, solidifying their reputation as a leader in the field.

Under the leadership of Mr. Ashish Srivastava, J.R.M Solution continues to grow and expand its presence, providing comprehensive automation services that support the success of their clients in a rapidly changing industrial landscape.

Factsheet

Basic Information

Nature of Business : Manufacturer / Exporter / Supplier / Trader / Distributor / Importer / Service Provider

Contact Person : Ms. Anju Mahto (Contact person)

Registered Address : 113, B Block Road, Noida, Uttar Pradesh

Total Number of Employees : 20 - 50

Year of Establishment : 2010

Legal Status of Firm : Individual (Sole proprietorship)

Fieldbus Components

Siemens
6ES73221BL000AA0
Digital Output Module

Siemens
6ES72411AH320XB0
Communication Module

Siemens
6ES72231BH320XB0
Digital Output Module

Siemens
6ES72221BH320XB0
Digital Output Module

Siemens
6ES71326BF010BA0
Digital Output Module

Siemens
6ES71316BH010BA0
Digital Input Module

Instrumentation & Control Equipment

Mitsubishi FX5U-80MTESS Main Unit

Mitsubishi FX5U-32MTESS Main Unit

Mitsubishi FX3U 48MT ES PLC Base Unit

Mitsubishi FX3U 48MR ES PLC Base Unit

AB 22COMME IP Adapter

AB 207502262C2R Power PCB

Ethernet Device

Siemens
6ES7 311-1CG03-0AB0
Expansion Module

Mitsubishi FX5U8AD
Extension Module

Mitsubishi FX5U4AD
Extension Module

Mitsubishi FX5U 64MT
ESS Extension Module

Mitsubishi FX5U 64MR
ES Extension Module

Mitsubishi FX5U 32MR
ES Extension Module

Analog Input Module

Siemens
6ES73325HF000AB0
Analogue Output Module

Siemens
6ES72324HA300XB0
Analogue Input Module

Siemens
6ES72315PF320XB0
RTD Module

Siemens
6ES71356HD000BA1
Analogue Input Module

Siemens
6ES71346HD010BA1
Analogue Input Module
