About Jupiter Fun World

Established in 2020 in Delhi, Jupiter Fun World is the perfect manufacturer and supplier of water slides, multi-play stations, plastic soft play sets and a lot more.

The offered range is manufactured using advanced technology and high-quality raw material that is obtained from reliable and certified vendors in the industry.

Our products are highly appreciated among our clients for their features like dimensional accuracy, durability, ease of installation, attractive design, corrosion resistance, precisely designed, smooth surface finish, modern look, rust resistance and lightweight. We offer these products under our manufacturing brand Wild Water Slides.

Empowered by an ultramodern infrastructural set-up, we are engaged in providing high-quality products. Our infrastructure unit is further segregated into various parts like procurement, designing, production, manufacturing, quality testing, sales and marketing, etc. To function efficiently and smoothly, all these departments are operated by experts.

We have equipped advanced tools and machinery in our infrastructure unit, which help us to manufacture and design superior quality products within time. The main aim of our firm is to provide quality assured products to our respected customers to get their maximum satisfaction. The offered range is available in different specifications as per the requirements of our customer within time.

Our Team

We have appointed a highly knowledgeable team of professionals, who work in close coordination with clients to meet their exact needs. We have divided our team into various divisions to ensure smooth business operations. Our team of professionals is hired by us after a thorough analysis of their knowledge, skills and experience in the respective domains. By utilizing their hard work and dedication, we can develop our business.
