## About K. D. Military Stores

Founded in **1975**, we “**K. D. Military Stores**”, an ISO 9001:2008 Certified Company, are foremost organization betrothed in **Manufacturing, Exporting, Importing and Supplying** a wide range of Military Uniform, Military Scarf And Cap, Military Web Belt, Military Metal Badges, Military Lanyard, Military Wool Glove, Leather Military Shoes, Military Sweaters, Military Socks, etc. Our offered garments & woolen accessories are specially designed for military people. As per the industry set norms, these military garments & woolen accessories are designed with the use of premium quality fabric, other allied material and the latest technology. Provided military garments & woolen accessories are well known among our clients due to their smooth texture, skin friendliness, fine finish, perfect design, shrink resistance and longevity. As per the different requirements of the clients, we provide these military garments & woolen accessories in plenty of sizes, designs and other such specifications to choose from. Besides, we provide these well tested military garments & woolen accessories in safe packaging material that ensure their safe delivery at clients’ end.

Under the guidance of our Managing Director “**Mr. Rohit Dhain**”, we have been able to fulfill varied requirements of our valued clients. Situated at **Ludhiana, (Punjab, India)**, we have developed a huge and ultra modern production base which includes various departments like procurement, designing, quality control, sales, packaging, transportation and many more. To control all these departments in a systematic manner, we have appointed a team of creative and smart professionals who are the main strength of our organization. The designing unit is equipped with sophisticated designing machinery and equipment in order to design a wide range of military garments & woolen accessories in numerous specifications. Apart from this, we also take feedback from our prestigious customers on a regular basis in order to serve them in a better manner.

### Team

Team plays a significant role in any business organization. We have an efficient workforce who work in close harmony. Each and every member of our organization is dedicated towards their work and always tries to meet the requirements of the clients. It is their efficiency that helps in the completion of the consignments in time. We also have a team of marketing executives who closely monitor the market. They are the ones who directly deal with the customers and keep records and documentation. Our market executives have a sound knowledge about the market and this enables us in the fruitful production of the required materials for army uniform accessories. Our teams of quality controllers strictly check each and every material with utmost care and honesty. During the entire production phase they undergo stringent quality checks so as to ensure that the materials are of the best quality before being outsourced in the market.

### Infrastructure

## K. D. Military Stores

We take pride in having a state-of-the-art infrastructure well equipped with the warehousing facility, which helps us to store manufactured goods and raw materials in abundance. The machines bear the latest technologies aids in meeting the requirements and finishing the voluminous consignments in the scheduled time frame. The machines that adhere to the international standards enable us in producing the best quality materials that have claimed the appreciation of millions worldwide. Moreover we have an in-house designing unit and a CAD/CAM facility that enables us in the better designing of the army accessories, army clothing accessories and woolen accessories.
