## About Karan Enterprises

Karan Enterprises is India's prominent Dental and Surgical product. Having an existence all over the country. Our company has started as the united supplier and trader of our exclusive products. All of our products being supplied all over the country also convey obligatory certifications. We have well-equipped test labs that manage standards and validate quality. Our investment in advancement and advance in the lab has helped us to acclimate and develop the best quality products with the changing requirement of the clients.

### Our establishment

Established in the year 2007 and operating from Amritsar, Punjab we are gradually spread out throughout the country. Working under the supervision and mentorship of our founder Mr Singh we have formed a conspicuous name in this business domain.

### Our product range

We supply and trade numerous product classes such as 3M ESPE Single Bond Universal Adhesive, Ammdent Easy Stat Haemostatic Agent, Prep Canal Root Canal Preparation Gel, Cavitemp Temporary Filling Material, 3M Protemp 4 Temporization Material Refill and many more products.

### VISION AND MISSION

We actively effort to attain this by resolutely working towards supplying new products, dependably serving the stakeholders, and sustainably increasing its presence.

### Why us?

Delivering supreme quality products

Timely delivery

Multiple product range

Following all the safety measures

Affordable price range
