About K.G.N Enterprises

K.G.N Enterprises is an esteemed manufacturing company from Pune (Maharashtra) that deals different kinds of packaging products. The company is known as an established manufacturer, exporter, and supplier (wholesaler) of premium quality cargo belts, rubber scrap, rubber elastic, plastic tarpaulin, PVC coated & side trim stocklot, stretch film roll, and silicone rubber. All these products are manufactured under the supervision of qualified engineers and by skilled manpower, who are trained for working with advanced tools and equipment. We are capable of manufacturing and supplying these products in bulk quantities across the global destinations.

K.G.N Enterprises is a company that was established in the year 2018 all with the efforts of the enterprising professional i.e. Ahmed Husain, who had a vision of serving buyers with the finest packaging products. The company has come a long way since then, and it enjoys the patronage of its worldwide satisfied customers.

Quality Assurance

Owing to the priority of serving quality products to the clients, a number of stringent quality tests are performed under the supervision of our quality control team. For fuller assurance of the quality, the products are checked on various quality parameters at different levels starting from the initial stage of materials procurement to the final stage of delivery.

Warehousing Unit

Backed by a well-structured warehousing unit, we are able to store the products in a suitable environment until they are dispatched to our customers. Our warehouse keepers ensure that the variety of products, we deal in, are stored in separate sections at our warehousing facility.
