About KN21 Industrial Support Services LLP.

KN21 Industrial Support Services LLP, your trusted partner for comprehensive industrial support solutions. Based in **Pune, Maharashtra**, our company was founded in **2023** by Mr. Dhiraj Lohar with a vision to deliver exceptional services tailored to meet the diverse needs of our clients.

At **KN21**, we understand the importance of maintaining a clean, safe, and efficient work environment. That's why we offer a wide range of services designed to address various aspects of industrial support, from cleaning and painting to waterproofing and pest control.

Our cleaning services encompass a broad spectrum of tasks, including general cleaning, shampooing, cobweb removal, and more. Whether you need regular maintenance or deep cleaning, our experienced team is equipped with the expertise and resources to ensure your premises are spotless and hygienic.

In addition to cleaning, we specialize in painting and waterproofing services to protect and enhance the longevity of your industrial infrastructure. Our skilled painters use high-quality materials and techniques to deliver superior results that withstand the test of time, while our waterproofing solutions provide a reliable barrier against moisture and water damage.

At **KN21**, we also recognize the importance of maintaining green spaces within industrial settings. Our gardening services are tailored to create vibrant and sustainable landscapes that promote well-being and productivity.

Customer satisfaction is at the heart of everything we do at **KN21**. We prioritize clear communication, reliability, and professionalism in every interaction, striving to exceed our clients' expectations with every project we undertake.
