About Kottackal Industries

Located in New Delhi (India), **Kottackal Industries** has proudly established itself as a leading manufacturer and supplier of products like mobile chargers, LED bulbs, mobile packaging hook hangers, visiting card plastic boxes, cable binding clips, power cords, SMPS laptop charger adapters, micro USB data cables, plastic mobile holders, etc. We started our operation in the year 2009 and achieved wide recognition in this domain by delivering quality products and personalized services.

We are a dynamic and innovative company that strives for excellence in every aspect of our business. We always stay focused on providing our customers with quality products and services at competitive prices, creating and maintaining a positive atmosphere for our customers and employees, and rewarding our employees & stockholders for the company's performance.

We are blessed with teams of professional manufacturing personnel who follow strict quality control techniques and use superior quality raw materials to manufacture products of unmatched quality. Our professional team understands the specific needs of our customers and ensures that they are served in the most feasible way.

We have a sound manufacturing facility consisting of modern machines. Because of this well-furnished facility, we are able to produce our products in large volumes in order to cater to the bulk market demands. Furthermore, we have an in-house testing cell for testing our raw materials and manufactured products as per the specified standards.
